Justina Fugh. Though let me be clear that it was cleared for the Administrator (it may have been cleared for others - I only inquired about the Administrator though). As you know, career staff has more restrictions than the Administrator on these type of events, so check with Justina to make sure. As far as I know, Justina is the Agency's Ethics Officer. Her number is 202-564-1786. Hope this helps. All my best,

Wayne

Shoren:

Can you or Wayne Nastri let me know the name of the EPA ethics officer who cleared this event?

Thanks, Palmer

Good evening. Most of the senior political staff at EPA have already received this invitation. I just got a look at the invite list and wanted to make sure that some of you hard working career staff got a chance to attend as well. Space is extremely limited but if there are one or two folks that I have missed that you think should attend please let me know. I really hope you can join us.

Note: We ran this by the appropriate staff at EPA on ethics concerns and they gave the thumbs up.

My email has been scrambling the invites so please see the attached PDF.
